

INTRODUCING THE REVOLUTIONARY HYDRO SEAL SHOWER SYSTEM

HSSS

HYDRO SEAL SHOWER SYSTEMS

Perfect for the renovation market as you can safely tell your client we will complete the task on schedule. We carry all glass to suit finishes in a 00 or 50 to ensure most projects have minimal wait time. Priced individually, we also undertake custom jobs such as screens fitted straight to tiles - any odd-sized glass will be ordered immediately for your convenience. We are also able to provide all QBCC forms relating to installation, and all our glass is branded and complies with current Australian standards.

BENEFITS:

- Save time & money knowing your glass is already waiting for you.
- Fits first time every time.
- Can be recessed into the slab / bed for a seamless finish.
- No old-style Hebel or brick hobs required.
- Save on bedding; flat stick tiles up to the outside of our Hob.
- NEW 1200 x 900 Sliding Door System available now.
- No drilling through tiles or waterproofing.
- Hob available up to 4.2M long.
- 1500mm x 1500mm hob can be trimmed to any size (42mm & 60mm available).
- Wall channel allows for up to 12mm Play.
- Internal guide for bedding also works as a level for fall.
- Fix & Swing System or Fixed Panels for bath

For Bathroom:

- Flat stick mirrors in 900, 1000, 1200, 1500 & 1800 x 900
- Shaving Cabinets, 600, 900 and 1200
